Care ful ly, care ful ly tend ed

They must be watch ful ly min - ded, con - cealed and se - clu -

She ventures out and comes across the earwig's unprotected nest, robs it of its eggs.

vi - gi lant ly guard ed. Vi gi lant ly guard ed. They must be end-less-ly trea - sured.
They must be cryptically hidden. They must be carefully tended, watchfully minced safe and securely. They return to find her eggs missing, almost immediately sets about laying another clutch. She returns to find her eggs missing, almost immediately sets about laying another clutch. Cryptically hidden, they will grow nourished, they will grow. She feeds the earwig eggs to her children.
