Those Roads 9’ 1994 fixed audio media. Features the voice of Alwynne Prichard.

Search 5’, 1997 for string septet and electronics. Performed by the Gogmagogs.

Frantic Mid-Atlantic 14’ 1995. Fixed audio media

Plus ça change 13’ 1991, for violin, marimba and electronics performed by David Lepage and Daniella Ganeva.

“This debut CD is a collection of Ficarra’s most exciting recordings to date, revealing her extraordinary musical vocabulary ranging from string septet to solo tape via domestic appliances. 'Frantic Mid-Atlantic' is an often humourous journey through acoustic and electronic sound-collages, intimate whispers and lost airwave voices.” ~ Sargasso website
